SUMMARY

Passionate about programming and designing, I thrive in collaborative environments. With strong communication skills and a natural teamwork spirit, I excel as an asset to any team.

Motivated by a drive for innovative solutions and continual learning, I am eager to expand my programming expertise. Proven analytical and problem-solving skills, honed through personal projects, enable me to tackle complex challenges head-on and deliver impactful results, <https://github.com/Bandanakc1234/backend-node>

SKILLS

- HTML/CSS - Skillful
- Javascript - Skillful
- React.js - Skillful
- Next.js - Skillful
- MS Office: Word,Power point, Excel - Skillful
- Framework: Bootstrap, Tailwind - Skillful
- Node.js - Skillful

LANGUAGE

Nepali

English

EDUCATION

Bachelors of Information Technology

Texas College of Management and IT / Kathmandu / February, 2021 - Present

Higher Secondary -NEB

GoldenGate International College / Battisputali, Kathmandu / March, 2024 - March, 2024

EXPERIENCE

Intern as Full-Stack Development

Evolve IT hub / Lalitpur / March, 2024 - March, 2024

Collaborated with a team of senior developers to design and implement new features for web applications, focusing on both frontend and backend development.

Developed responsive and user-friendly frontend interfaces using HTML, CSS, and JavaScript frameworks such as Next.js. Implemented backend functionalities and APIs using server-side technologies such as Node.js, Express.js, and MongoDB.

Engaged in continuous learning and professional development opportunities, gaining hands-on experience with new tools, frameworks, and best practices in full-stack development.

TRAINING/CERTIFICATION

MERN Stack

Vedu Global Institute

I studied a full stack course in which I learned from the basics of HTML/CSS and Javascript to the frontend design and using react JS and backend development using NodeJS, Express and MangoDB.

PROJECTS

IT Company Website

Successfully replicated an entire website using HTML, Tailwind CSS, JavaScript, Bootstrap, and Next.js. This project allowed me to gain valuable insights into frontend design principles and develop responsive, user-friendly websites.

Through hands-on experience with diverse technologies, I enhanced my skills in creating compelling user experiences and implementing modern design practices. This project not only strengthened my proficiency in frontend development but also deepened my understanding of web technologies and frameworks.
